4.3 Response Time Report/Medic Move-up Statistics for April

Hackett

Executive Director reported excellent response times, full compliance, but call volume continues to be lower than last year. Cpt. Mitchell provided stats and will request graphs upon the needed information.

4.4 Discuss/Recommendation Re-Chassis of Ambulance AVICN# 128-1483 (old M26)

Efforts exhausted in fixing medic 26 and not suitable for emergency use. Motion to surplus Chassis Remount with West Coast by Schwab; seconded by O'Camb and motion carries unanimously.

4.5 Supply Committee Update

- *Please have agencies represented for standardization and cost savings of medical supplies at the next meeting at Station 89 - 0900 hours on May 30, 2103. The committee is partnering with each agency to save on discarding medical supplies.*
- *The state pharmacy board has implemented new standards on drug processing and EMS is anticipating greater drug shortages.*
- *Backboard straps could be on a monthly rotation in order to return them to each medic unit.*

5. New Business

5.1 New EPCR Procedures

Hackett

Forte has offered to have faxing capabilities to roll out on June 10, 2013 for all PCR attachments. Director Hackett will send out an email to notify the Agencies. The fax will include EKG, Facesheet and PCS Form. It will store as a .pdf file as a temporary fix until Marshall can have electronic filing capabilities.

5.2 Medic time at the hospitals

O'Camb

The sooner the medics are cleared from the hospital the sooner they are entered back into the system and available for calls.

5.3 Sac Metro medic unit move up and cover EDC

This could be a conflict with our existing fire based ALS ambulance operations matrix.
